Over 300 Attend Annual Remembrance Service

Over 300 town and district residents attended the annual Remembrance Day Service at the Vulcan Armouries on Friday, Nov. 11. The guest speaker was Rev. Capt. Gordon C. Dickin, chaplain to the RCOG and RCME units, Calgary and rector of St. Cyprian's Anglican Church, Calgary. Vulcan Legion Chaplain Rev. R. H. Johnson was in charge of the service.

Using as his theme the belief that we should make greater use of the church and of all the social agencies at our disposal to spread the feeling of brotherhood and peace amongst the peoples of the world, the Rev. Dickin expressed the thought that this would exemplify the true meaning of "remembrance," as it was to achieve peace that our war dead gave their lives.

Greetings from the Town of Vulcan were brought by Mayor J. Lundy Findlay and a special anthem was sung by the United Church choir. The scripture reading was given by Rev. G. W. Lagore and memorial prayers by Rev. A. P. Pearce. Mrs. D. S. Paris was pianist and trumpet was Sgt. Peter Pickersgill of the RCASC.

Legion members, a platoon from "A" Company, Calgary Highlanders and the Vulcan Army Cadet Corps paraded from the Armouries to the Memorial Stone, where wreaths were laid in memory of the war dead of Vulcan and district. Major R. C. R. Munro was parade marshal.

The remembrance service was sponsored by the Vulcan Branch Canadian Legion.

The organization meeting of the Berrywater 4-H Beef Club was held on Friday, Nov. 4, at Berrywater. The election of officers resulted as follows: President, Ken Booth; vice-president, Lloyd Jones; secretary, Lynn Richardson; club reporter, Marie Dann.

The club is very happy to have Pete Silbernagle as the club leader again. The advisory committee consists of Orlo Doane, Archie Oldfield and Walter Dann. Mrs. Margaret Richardson was elected as the new lunch convener.

The club calves are to be weighed on Nov. 12, at the UGG elevator in Vulcan.

Prayer followed, by Mrs. Helen Schierman, Mrs. G. F. Wuerfel and Mrs. Tillie Hartung. There was a variety of speakers and discussion leaders from all points represented and at the Saturday evening session a fine film entitled, "Goal to Go" was

Well Known Arrowwood Resident Passes

ROBERT ALEXANDER BROWN

Known as a top cowhand and a most successful farmer, Bob Brown of Arrowwood passed away in the Calgary General Hospital on Sunday, Nov. 6.

Bob had participated in rodeos all over the south country including Calgary and had made a host of friends wherever he went. Bob was born in Arrowwood on Dec. 28, 1930 and had lived there all his life.

He was a member of the Arrowwood Lions Club, the Farmers' Union of Alberta and this year was president of the Arrowwood Gymkhana Club. He was an excellent horseman and a keen follower of all sporting events.

In 1953 he married Irene Richardson of Herronton, daughter of Mr. and Mrs. Gordon Richardson.

Services conducted by Rev. Thomas Seeley and Mervin Williams were held in Jacques Funeral Home with interment in Mountview Memorial Gardens. Soloist was Eugene Burriss of Arrowwood.

He leaves to mourn his loss his wife Irene; three children, Rhonda, Raymond and Joyce; his mother, Florence Brown; one brother, Fred; two sisters, Thelma Bannister and Dorothy Brown who is stationed in Ecuador, South America, as a nurse missionary. Dorothy flew home to nurse her brother during his illness.

You'll never be popular if you spend all your time taking advantage of your right of free speech.

In 1896 "Dorothy Dix" Mrs. Elizabeth M. Gilmer began her column for personal advice in a daily newspaper. It was the first popular "advice to the lovelorn" feature in newspapers. Today, most newspapers carry helpful and informative features on personal problems.

Vulcan Water Survey Now Under Way

Chairman of the town waterworks committee, S. H. H. Joiner announced this week that the Vulcan town council has entered into an agreement with the engineering firm of C. C. Parker, Whitlaker & Co., of Calgary to make a comprehensive survey of the water supply situation at Vulcan. Particular object of the survey will be the locating of an ample supply of good water, free of soda and Glauber's salts.

Discussion of the water situation was the major item of business at the town council meeting this week. The most promising source of supply would appear to be one of the two or three large springs a few miles north of Vulcan, which apparently tap an underground stream with its source in the mountains. Water from these springs is reported to be "hard" and totally unlike the water obtained from wells drilled in this area. The springs have never been known to go dry.

Flowing wells to the east and south-west of Vulcan will also be investigated as possible water sources.

The engineering firm hopes to complete the survey in about two weeks and if a major project is required to solve the water supply problem it is hoped to have such project qualified under the winter works assistance program.

The serving of a delicious lunch by the hostess assisted by Mrs. Nafziger, brought the afternoon to a close.

The Candlelight Group of the Church of Christ held their November meeting at the home of Mrs. L. Lundgren. There were 15 members and one visitor present to answer roll call with a Bible verse containing the word "Peace." The devotional thought for the evening was given by Mrs. Muriel Smith, who chose a challenging message entitled "Witnesses."

The business part of the meeting was presided over by Mrs. E. Haga. It was decided to cancel the bazaar which had been planned for Dec. 3. The correspondence was read by Mrs. Nina Deal. Mrs. B. Wickstrom took the chair for the election of officers for 1961. Those elected were: President, Mrs. L. Schmidt; vice-president, Mrs. B. Pearce; secretary-treasurer, Mrs. R. Orchard; social secretary, Mrs. W. Boutland.

Congratulations go out to Miss Carolyn Haga, the Vulcan Young People's President who was elected to serve as secretary-treasurer on the new executive of the Prairie Young Peoples Association.

Wind-up of Season

Present Golfing Awards At Annual Club Dinner

About 75 famished bodies turned up at the golf club house Wednesday night, Nov. 16, on the invitation of President Ron Beuhler whose team had earlier in the summer lost, for the second straight year, the annual President versus Vice-president golf bout.

Everyone jumped at the food — the winners because there was no tab attached, and the losers because they were paying the shot and felt they had to get their money's worth out of the thing somehow. The wild fowl went down well — one casual eater had his eyes on a third helping but his conscience kept him back — however there were still a few pheasants, a part of a goose and some chicken waiting when there was no more demand.

Following supper and the trophy presentations, there suddenly sprung up a wheel of chance, several decks of cards, a dart board, and a social evening began.

Conversations picked up from table-hoppers ranged from golf to everything except ladies. One of the foremost orators of the evening was Roger Middleton who was on his soap box most of the night extolling the virtues of pedigreed English Setters versus the rest of the canine world. In between times they say he cleaned up at the dart

board. Howard Spaeth had just recently returned from his fall hunting trip and still wore that far-away look in his eyes. For the first time in five years of being on the wrong side of the valley he knocked down his game and along with several other natives of his party, he will rest peacefully this winter.

Skeez Christensen, one of the larger men assembled, emerged unscathed in a brief head and foot measuring competition while in another part of the club house Ray Wellman and Glen Gorbous vainly tried to get across to Harry Laroche the hard facts that in 1961 a score of 36 by Ray and 41 by Glen will deprive Harry and his partner of their present trophy with no difficulty.

Through the din a quiet foursome, John Jamison, Bev Banks, J. T. Willard, Sr., and Dan Jantzie, Sr., put in an evening of calm, serious bridge with the betting odds heavily favoring the elder partners.

As a closing gesture Howie Klippert and Ray Wellman assured all who cared, that they'd be back to the stag next year.

The winter social season sets in next Saturday, Nov. 26, when an evening at the club house is planned, complete with entertainment.

Farm Women's Union Holds Successful Rally At Berrywater

The Berrywater Community Centre was the meeting place for a 4-H-6-Cen-6-Tec-6-26 iph members of the Farm Women's Union of Alberta for their 1960 rally on Oct. 20. A total of 37 registered at 10:00 a.m. from the Milo, Arrowwood, Berrywater and Nanton locals.

Following registration Mrs. Margaret House, FWUA Director for District 12, FUA, opened the day with the ladies singing, "O Canada" and repeating the farm women's creed.

Minutes of the 1959 rally were read and adopted and a moment's silence was observed for friends and relatives passed away.

A most interesting and lively discussion took place on the Cameron Commission with the following participants. Mrs. Gallagher for Curriculum Structure. Mrs. Williams for Community College and Mrs. Lyons for guidance and counselling.

Following this a very tasty lunch was served by the Berrywater ladies.

On reconvening after lunch Mrs. Gibeau, Provincial vice-president, gave a few words on the membership drive and the FWUA policies.

"Laws Concerning Women" and "Family Courts" were the topics Mrs. House chose to bring to those present. She stressed the point the husband making a will was not enough but that the wife must also have one drawn up.

The Hutterite problem was brought up by Mrs. Dorothy Hill. This is a matter of considerable importance particularly to those in the Queenstown area. "Should we stand for their expansion?" was

the theme of the discussion. Novel ideas for bazaars, plus a display table of stuffed toys, aprons, children's wear, etc., were brought by Miss Barteaux, District Home Economist from Calgary.

An invitation from the Milo local for their being next year's hostesses for the 1961 rally was very graciously received.

Mrs. Myrtle Elizabeth Alder of Champion, aged 48 years, passed away at the Lethbridge Municipal Hospital on Nov. 4, 1960, after a lengthy illness. Born at Carstairs, Alta., she moved to Penticton, B.C., in 1936, coming back to Calgary and district in 1939 and was married in December of that same year, later moving to Champion in 1942 where she has resided since.

She is survived by her husband, Bruce, three sons, Fred, Delbert and Gerald, all of Champion; two brothers, Clifford Quigley of Carstairs and Raymond Quigley of Calgary; two sisters, Florence Quigley of Calgary and Mrs. Norton (Alma) Hunt of Dawson Creek, B.C.

Pallbearers were Robert Nelson, Robert Halbert, James Halbert, Lloyd Gremm, Ronald Lewis, Hugh McDougall. Services were held in the Champion Community Hall on Monday, Nov. 7, 1960, at 2:00 p.m., with interment in the Champion Cemetery. Vulcan Funeral Home was in charge of arrangements.

Early Resident Of Lomond Area Dies

One of the early pioneers of the Lomond district, Charles Ruben Adams died at the Lacombe Home on Nov. 12, 1960, following a lengthy illness. He was 79 years of age.

Born at Danville, Quebec, Mr. Adams came west in 1902 to the Lomond district, where he ranched and farmed until retiring in 1954. He was a member of the IOOF Lodge, Milo.

Surviving are one son, James of Lomond; one daughter, Mrs. Alex (Jean) Fraser, Lomond; five grandchildren and three sisters.

Rev. Peter Dawson officiated at the funeral services held in the Lomond Community Hall on Wednesday, Nov. 16, and interment was in the Lomond cemetery. The Vulcan Funeral Home was in charge of arrangements.

At July 31, 1960, 336 million bushels of wheat from previous years' crops remained in storage in Canada.

Fish-Game Propose Resolutions

The last scheduled meeting of the year for the Vulcan and District Fish & Game Association will be held Monday night, Nov. 21.

At this meeting three resolutions will go before the general body for approval before being presented to the Annual Provincial Fish & Game Convention next March. These resolutions were brought up and discussed at an executive meeting held Monday night at the Howard Burrell farm.

One resolution deals with a proposal to have stream fishing dates revert from open season which is now in force, to a season which would begin in June and end in September, similar to the fishing schedule in effect until the last few years. It was felt that in the present open season, reproduction is being seriously hampered by the taking of fish during spring and fall months at the height of the spawning period.

Another resolution aims at having the County of Vulcan closed to deer hunting until the animal population is of sufficient size to warrant harvesting.

The third resolution to be considered is one recommending the government continue investigation into the eventual entry of bass fish into lakes and potholes.

Game wardens Freeman and Bell are being invited to this meeting and it is hoped to have a showing of colored slides by Steve Dixon of Brant along with a regular colored film.

Also it is emphasized the previously 8:00 o'clock prompt start of the meeting will be adhered to for the Monday night get-together.

On November 7 1885, a group of bearded, frock-coated, beaver-hatted, Canadian Pacific officers and directors, surrounded by railway engineers and trackworkers, gathered in the chilly mist of Eagle Pass at Craigellachie, British Columbia, to watch the driving of the spike that completed Canada's first transcontinental railway. Historians say that Lord Strathcona's

hammer-taps were literally heard around the world, since the linking of the rails at Craigellachie fulfilled the terms of Confederation, making Canada at last truly a nation "from sea unto sea." In Montreal, N. R. Crump, president of today's Canadian Pacific, commenting on the 75th anniversary of the event, said: "While on this historic occasion we pay homage to the great figures of the past - the men who built Canada's first transcontinental railway - it

should not be forgotten that it was their vision of the future which laid the economic foundations of nationhood and also established the basis of the world-wide transportation enterprise of Canadian Pacific today." Canadian Pacific has grown in the seven and a half decades since Craigellachie into an integrated transportation system of 85,000 route miles serving Canada and the world by land, sea and air.

HERE! THE TRUCKS THAT RIDE SMOOTHER, WORK HARDER, LAST LONGER!

Just a year ago, Chevy came up with a torsion bar independent front suspension and has already put some 300,000 Chevrolet trucks with it out on jobs.

The ride that results from Chevy's suspension design is making life a lot easier for drivers. (Just ask them!) It's taking better care of loads, the fragile kind that used to cost somebody money if they were bounced around. Chevy's ride also enables truck owners to revise their buying habits and work their trucks longer before they trade. This follows naturally. The trucks take less of a beating. There's less stress on sheet metal. Less abuse to tires. Less pounding to wear out parts before their time. The upshot of it is you either save money or earn more of it, or both. And you couldn't ask a truck to do more than that. See your dealer.

ORDINARY I-BEAM FRONT AXLE. All trucks had it at one time: a stiff-beam design that transmits road shock and vibration from one wheel to the other and up to the chassis, cab and the load.

CHEVY'S INDEPENDENT SUSPENSION. Each wheel flexes independently, keeps the truck and the load level with the road; minimizes tire abuse as well as stress and strain on chassis and cab.

Mr. and Mrs. Ed Wellman arrived home by new car from Ontario where they had spent an extended holiday with relatives.

Mrs. Bob Gibson is a patient in the High River hospital.

Sympathy is extended to Mr. Otto Malmberg whose brother, George Malmberg, passed away. Otto Malmberg, accompanied by his daughter, Mrs. Chas. Manville and family, motored to Cardston on Friday to attend the funeral.

PLATT — DESHARNAIS

Pledging vows amidst a floral background of autumn tones of gold and bronze in Pleasant Heights United Church, Miss Rochelle Desharnais and Ronald Platt exchanged wedding rings before Rev. Douglas Carr.

The bride is the daughter of Mr. and Mrs. Jules Desharnais of Champion and the groom is the son of Mr. and Mrs. Morgan Platt of Calgary. Given in marriage by her father, the bride wore a full-length gown of silk ivory peau de sole featuring a scooped neck line, the new French sleeve and a full panelled bouffant skirt. Her only jewellery was a pearl necklace. A pearl coronet held her waist length veil of nylon illusion net and she carried a cascading bouquet of yellow roses centered with a white orchid.

Attending her as maid of honor was Miss Winnifred McKay of Edmonton, wearing a cocktail-length gown of hunter green peau de sole.

Her bridesmaid was the groom's sister, Miss Sandra Platt of Calgary. Her dress was cocktail length in surf green peau de sole. Both bridal attendants wore small hats of same material and colors matching their gowns and carried muffs of gold and bronze baby crysanthemums.

Pete Coldham was the best man and ushering the guests were Bryce Cox and Bob Frank.

For her daughter's wedding, Mrs. Desharnais wore a sheath dress of silver beige brocade with abbeey brown accessories accented by a corsage of burnt orange tea roses.

Mrs. Platt chose a sheath dress of avocado green wool with contrasting accessories of moss green, complimented by a corsage of deep yellow tea roses.

The reception was held at the "Caravan" where the bride's table was centered with an all white wedding cake baked by her mother and white tapes and floral arrangements throughout the banquet room were yellow and white crysanthemums.

Verne Benson of Barons proposed the toast to the bride. In the evening the bride's parents entertained at open house at the Royal Wayne Motel. Telegrams of good wishes were received from London, England; Vancouver, B.C.; Houghton, Mich., and local points.

For her wedding trip the bride changed to a suit of mink brown with matching accessories; her hat of beige and bronze feathers and a white orchid in corsage.

Following their honeymoon to the mountains and western U.S.A. points, Mr. and Mrs. Platt will make their home in Edmonton, where the bride is on the high school staff of the public school and the groom is associated with Mobil Oil of Canada.

Guests from out of town at their wedding included: Mr. and Mrs. Verne Benson, Neil Benson, Barons; Mrs. H. Gyorffy, Champion; Mr. and Mrs. Bob Bertrand, Milo; Mr. and Mrs. Pete Coldham, Don Basso, Parry Walker, Stan Dorschled, Larry Bilan, Miss Winnifred McKay, Mr. and Mrs. H. An Important Week

Young Canada's Book Week... what does it mean to you? Just another "week?" — or do you share the belief that the virgin forests of our children's minds can best be freshened and green under the influence of that magical tool of learning, the good book? Even an ordinary book contains within it covers a store of energy waiting to vitalize the reader — and the great books have enclosed within them energy which has sparked and transformed men and nations through countless ages.

If you do believe in the power of the book, then Young Canada's Book Week has a special place in your life. It is a community effort to bring better books to more children. You will make certain that your homes, schools, community centres, those paths of living frequented by our children are treed with books. Children's minds are curious and seeking. They want to know the how, the what, the why, the where of all that surrounds them... they have the need to wonder. That wonder and that curiosity can be fed by the written word — or can be starved by the lack of it. Each life is a seeking and yearning, its colors as myriad as the rainbow shades — and each life is a reflection of external forces on the individual spirit. If we are to survive as individuals, as a nation, as a world, the spirit must be strengthened by the great truths discovered through the ages.

Learning and skill and excellence of minds are, as never before, needed to support and develop our society which is complicated, interwoven and worldwide. Ignorance is neither a protection nor a justification. We must understand, and even more important, our children must understand what is happening in Africa, what is coming to pass in China, the effects of atomic radiation, how the food resources of the world are being used. We are in peril if we do not know, and moreover, the time is short.

In their struggle for domination, the Iron Curtain countries, Russia, Yugoslavia, Czechoslovakia do not underrate books. They are more plentiful and cheap than any other source of pleasure and mental stimulation. We must offer our children the same, or better, opportunity for knowledge, understanding and pleasure.

Young Canada's Book Week, under the patronage of Her Excellency Mme. Vanier, crystallizes the place and importance of books in the lives of children, young people and the adults they will become.

This week is the spur to action by adults to provide the children in their community with worthwhile books, at home, at school, at the library.

—Alison Seymour

Milo-Queensdown W.M.F.
The regular meeting of the Milo-Queensdown W.M.F. met at the home of Mrs. David Deitz with 16 members and visitors in attendance.

The president, Mrs. Chester Thompson announced that with the coming of the new year the local would become known as ALCW (American Lutheran Church Women) as at that time the merger with other Lutheran church bodies would become effective. Most of the business session was taken with arranging for the annual tea and bazaar. It was suggested that the church board be approached to find out when it would be possible to install the furnace in the church; also if enough money was available for the installation. Donations have been promised for this project once the work is underway.

It was reported that the floor in the basement had been cemented and with the furnace installed the WMF members could go ahead for plans to furnish the kitchen. Mrs. G. Heather read several portions of scripture during the devotion. It was suggested that at a later meeting the members have a tea towel shower for the church kitchen.

The assisting hostesses were Mrs. Bob Deitz, Mrs. Bill Deitz and Mrs. Chester Thompson. They served a lovely lunch at the close of the meeting.

The next meeting will be at the home of Mrs. Laura Sutherland when the annual exchange of Christmas gifts will be held.

2. How would you put this over?
3. How would you make sure that any one program listed above would be carried out?

Audience participation then took place in the form of group discussion and the answers were many and varied, for instance, to Question No. 1 - Something of special interest presented by speakers and films; debates on subjects of current interest, e.g. Agricultural methods, Farm Economics, joint FUA and FWUA meetings, occasionally. No. 2 - Speakers could be: District Agriculturist, Veterinarian, Game Warden, RCMP, First Aid and Farm Safety, Home and School Relationships, Co-operative Education, making farm life more interesting such as Landscaping.

Question No. 3 - Good program convenor and leader; Convenor to announce at meeting the speaker and topic for next meeting; personal contact with each member; competent speakers and starting and ending meetings on time.

Mrs. Dowhanluk and Mr. Bell were in charge of the afternoon and dealt with meeting techniques and how to present discussions. The audience again took part by conducting a mock meeting in which many situations arose which would baffle any but the most experienced presiding officer. Finally, a panel was formed to illustrate how a subject could be discussed.

Mr. Burgess, in checking over the evaluation sheets reported that those present commented favorably on the day's activities and felt that more workshops were needed in this area with a better attendance in future. He was pleased with the audience participation.

Representatives were present from the FUA and FWUA locals at Red Deer Lake, Okotoks, Black Diamond, Arrowwood, Vulcan, Nanton, Claresholm, Pine Canyon, High River and East Longview.

FWUA Meets

The members of Berrywater FWUA met at the home of Mrs. Wilson Oldfield for their November meeting.

In answer to a letter from the Library Board it was agreed to send a donation of \$10. An auction of baking was held on adjournment of the meeting, with the items being donated by the members in lieu of roll call. Those not bringing anything to this meeting are asked to do so at the next one which is to be held in combination with the men's local in the form of a pot-luck dinner, at the Community Centre at 12:00 noon.

Mrs. Oldfield, with her helpers served a very tasty lunch to bring the afternoon to a close.

GIANT FUNNEL IN PLACE— One of the finishing touches to the superstructure of the new Canadian Pacific liner Empress of Canada — the placing of her giant 64-ton steel and aluminum funnel — was completed Oct. 8. The 27,300-ton liner, launched last May, is

scheduled to go into service between Liverpool and Montreal in April 1961. Owing to the weight of the huge funnel, the ship had to be moved from her fitting out berth at the Vickers-Armstrongs Yard at Newcastle-on-Tyne, England, down to where the giant

hammer-head crane was holding suspended the gleaming buff colored funnel with its red and white checkered house flag. The whole operation of lifting, moving the ship, and putting the funnel into position was completed in 60 minutes.

CWL Christmas Activities Planned

The November meeting of the Vulcan Council of the CWL was held at the home of Mrs. S. Scales on Thursday last.

The director, Rev. Father Marien, opened the meeting with recitation of the League Prayer. Spiritual convener, Mrs. Louis Shaw and educational convener, Mrs. Les Shaw, gave very interesting and inspiring lessons.

The following plans were discussed. The ladies will hold a turkey bingo in the basement of St. Andrew's Church, at which time the crocheted table cloth and other articles will be raffled. It is hoped that this will be held in December, the date to be announced later.

It was also planned to have a large box placed in the vestibule of the church and members of the CWL and parish members will be asked to bring a toy or article of clothing for children from the infant stage to 6 years of age and this will be brought to the Providence Creche for Christmas.

A party will be held for the children of the parish in December and the members of the CWL will hold their Christmas meeting on the usual date in December, this will be in the form of a turkey dinner for the members and their husbands. The ladies now have their religious Christmas cards on sale and these may be obtained from Mrs. Louis Shaw, treasurer, or any of the members.

At the close of the meeting, Father Marien imparted his blessing and the closing prayers recited. Lunch was then served by the hostess, assisted by Mrs. Emelson and Mrs. Wisener. The tea prize was won by Mrs. Frances Lefebvre.
